This presentation, as well as Financial statements appended herewith should be read in conjunction with Mewah International Inc.'s Unaudited Financial Statements for the third quarter and nine month ended 30 September 2011 lodged on the SGXNET on 11th November, 2011

Certain statements in this presentation constitute “forward looking statements”. All statements other than statements of historical facts are forward looking and are based on management’s optimistic view about the future developments. Forward looking statements involve certain risks and uncertainties and actual results may vary materially from those targeted, expected and projected, due to various factors.

Although we believe that the expectations reflected in the forward statements are reasonable, you are advised to take use your own judgements before relying on these forward statements. We do not intend to update any forward looking statements to confirm those statements to actual results, other than required by applicable laws and regulations.
